I am the plaintiff in 18-cv-11628, "Fischer v Verizon", removed to SDNY from state court.

I am out of town for the Holidays, and can find no other way to get the attached forms to you in a timely manner other than email. Mail may or may not reach you timely, given the Holiday overload of the mails.

Why the rush? I expect to have a motion to remand on the docket shortly, which will allow time for a response from Defendants and for the Court to remand the case before the scheduled date of the pre-trial conference.

Thank you for your time and attention.

James Fischer
